Subject: FW: ORD/OSA Weekly Report

I'm forwarding this week's ORD report to the Administrator FYI. I just sent a question to Lou, and you may have opinions about whether the staff would appreciate it if I forwarded to NCEA-all every week, regardless of whether NCEA was highlighted.

Also → request from Tom Burke:

At the Monday ORD Manager's Call, Tom said that he's gotten very positive feedback from the Administrator for sending these. However, he said that he almost always gets follow-up calls about individual items, checking to make sure that a certain office was in the loop, had we briefed so-and-so, etc etc.

To avoid IOAA having to reach back into the labs or centers to follow up on these questions (that start arriving on Sunday afternoon) he asked that **in the future, we also add a note (sentence? Bullet? Footnote?) to indicate what outreach has been conducted**. We have often been working closely with programs and/or regions so this will be further good news to highlight for us.
